

Hello All,

As always, the 6 weeks of our program have flown by! Thank you for another wonderful summer. We enjoyed coming back to our home at Oakland Park and certainly put the new playground and surrounding grounds to good use! It was a summer filled with beautiful weather, engaging activities, exciting trips, fun games and friendship. The 2019 Sunshine Summer ended with two celebrations: a talent show and the carnival. Thank you to all the parents who attended these celebrations and especially those of you who volunteered to help - these events are made more special through your support! Thank you for sharing your children with us, they have filled our hearts with smiles and laughter and we hope to see them all next summer!

Take Care,

Jessica Peck
